

# Levi's Legacy:

*drowning happens in seconds*

Water Guardians: Levi's Legacy is in memory of Levi Hughes.

On June 10, 2018, while vacationing in AL, he slipped away from a room filled with his parents and friends. He fell into the pool and drowned. Levi was gone for mere moments.

1

Drowning is the leading cause of death for ages 1-4. It is the second leading cause of death for ages 1-14.

2

Supervision is the most important way to prevent drowning. **DESIGNATE** a "Water Guardian" to supervise at all times children have access to water.
